BL5000 MG Pro ECP Series

easicodepro

10 Second Code Set

The BL5000 MG Pro ECP series is a range of marine grade keypads designed for medium to heavy duty applications. All of the critical internal components are made from the highest grade of stainless steel to resist corrosion and wear.

And with the new MG Pro 2 finish, which is even harder wearing, makes the keypads ideal for fitting into environments where harsh weather and conditions is to be expected.

FEATURES

- On the door code change
- Optional Free passage mode
- Over 1000 code combinations
- Free turning handle
- 1000 hours salt spray tested
- Cycle tested 100k+
